Once again, the fair season is upon us and we are asking for your participation in the annual parade.

On August 17th, participants will assemble at Old Harvey High School at 5:00 p.m. and marching should commence at 6:00 p.m. The route is from Old Harvey High School to Route 20 to Fairgrounds Road and into the Fairgrounds.

If you would like to participate, please complete the attached form and return it as soon as possible, or call Lori at 354-3339 Monday through Thursday between 9 a.m. and 2 p.m. Be sure to include your unit's name as you would like it to be announced. At the top of the registration, please provide a description of your entry so that a layman may be able to identify you. **Due to the entertainment schedule immediately following the parade, there are to be no performances in front of the grandstands.** After sending in your registration, all you need to do is show up at Old Harvey on Parade Day.

P.S.: If you are entering a float, truck, or large unit, entering the staging area from the east end of Washington Street will be the easiest. Smaller units such as pick-up trucks, cars and car groups will find the east end of W. High to be the best entrance to the staging area.

If you are in a group or with multiple vehicles, please arrive together due to the lack of space and unassigned line-up. It is hard to get together at the school.
