Minutes: April 3, 2014

Vice President Joe Slansky called the meeting to order at 7:30 p.m. Roll call was taken and there was an insufficient number of members for a quorum. Joe Slansky closed the official meeting. There were several visitors that wanted to speak regarding the timber harvesting of the south woods. Twenty-one people signed the attendance sheet, including Paul Malchesky, Concord Township Trustee and Chuck Hillier, Painesville Township Trustee. It appeared that some people that were in attendance did not sign in. A number of people spoke of their disagreement and disappointment with the timber harvesting and the current condition of the site. There were several questions asked about how and when the site will be addressed further.

These minutes are for informational purposes only.

Respectfully submitted,
