LAKE COUNTY AGRICULTURAL SOCIETY, INC. • 1301 MENTOR AVE., PAINESVILLE TWP., OHIO

Letter from the President

The Fair Board would like to thank all the 2021 fair goers and Agriculture Society members for helping us have one of our best fairs. We broke both attendance and revenue records. We would also like to thank our sponsors, exhibitors, and the 4-H families for their help on having such a great 2021 fair. The livestock auction was one of the best and we would like to reach out and thank all the buyers and supporters.

We have an extremely aggressive building upgrade program schedule for the 2022 season. New siding on the livestock building, natural resource building, rabbit building, draft horse building and a new roof

Talk about your beautiful day in the neighborhood...

Lake County Land Bank Pays-off new Youth and Community Center

BY BOB DAWSON

July 8, 2021... was a most amazing day for agriculture and 4-H education in Lake County. It will go down in the Fair Board annals, as the Day that the Lake County Land Reutilization Corp, known as the Lake County Land Bank, paid off the debt on the new Lake County Youth and Community Center located on the Lake County Fairgrounds.

The Land Bank is a 501c3 Non-Profit Organization with a mission of reutilizing real property and buildings in Lake County. They are best known for their efforts to support the demolition of vacant and blighted buildings through-out the county. These properties are often affected by foreclosure with significant tax delinquen-

cies and their efforts lead to repurposing the properties for the good of their neighborhoods and the Lake County economy.

The Lank Bank initially assisted the Fair Board with the demolition costs of the old 4-H Building at the beginning of this project. After seeing the

Since 1966, Ganley Village has been a part of the Painesville region. Their superb customer service, friendly nature and extensive community involvement has won them the coveted Chrysler Five Star Excellence Award. We are very pleased that their community involvement will continue to include their participation as the Presenting Sponsor of the Lake County Fair.

As part of this arrangement, we are also pleased to announce that the Jeep Gladiator has been named the Official Vehicle of the 2022 Lake County Fair. Benefits of a Membership

Lake County Agricultural Society Memberships have many personal benefits. The \$25 annual fee allows a Lake County resident to vote for Fair Board Directors. This membership also provides daily admission into the fair (more than a 50% savings). Aside from these personal perks, a LCAS membership benefits, as well as sustains, the Lake County Fair.

Money from membership sales go into the general funds account. This account is used for maintaining and improvement of buildings, arenas, and upkeep of the fairgrounds as a whole. Because of the membership sales, we are able to provide 4-H with use of the grounds, free of charge, for weigh-ins, horseshows, meetings, car washes, and various fundraising events. The purchase of a membership not only benefits the member, but also helps the youth and next generation of fair participants. Consider purchasing a membership for the 2022 season to help maintain and grow our program, as well as maintain success.

SECRETARY NOTES

Michelle Byram

It has been 10 years since I started working here at the fairgrounds. 10 years ago, I had two little grandchildren, now six not so little ones, who will always hold a special place in my heart and be the loves of my life. We had "talked" about building a house and now have fulfilled that dream and are living in it.

So much has changed but one thing hasn't. I still enjoy this job as much as I did when I started. I know I say this every year, but I am fortunate to work with a great Fair Board and Ladies Auxiliary. Convention has taught me that not all are as lucky as I am. There are fairs that don't work as well together and that can make for challenging times. The past couple of years have been challenging

for everyone. We had an amazing fair last year after having to only have a Jr. Fair the year before. We have learned to go with the flow and make it work. We aren't out of this yet but are hoping we will be fortunate enough to have another fair that is off the charts.

I look forward to what the year has ahead for us. The Committees have been working on getting ready for fair. It will be here before we know it. General admission for 2022 will be \$10 each day. Be sure to check the website for updates and fair events.

We will make whatever comes to us work. Stay healthy.

Secretary/Treasurer*

A NOTE FROM LADIES AUXILIARY

I hope this finds you all doing well and hopefully getting back to some semblance of normal. 2021 was another year of dealing with COVID and working to keep everyone safe and healthy.

The Ladies Auxiliary was very excited to finally hold our annual Reverse Raffle in our new Community Building. It was a great success and we thank you all for your continued support. We were also blessed to hold the Fair this year which turned out to be amazing and the best attendance ever. The Fair Board and 4-H did a wonderful job putting it all together. Our ladies worked in many areas and provided meals for the Directors. We are so blessed to work with many volunteers, Lake Co. Sheriff's Dept., Painesville Township Fire Dept. 4-H, the great Office staff and Secretary Michelle Byram and so many others.

We are looking forward to 2022 with a Reverse Raffle scheduled for April 23, 2022 and plans in the making for a Clam Bake in October. I am so honored to work with the greatest group of Ladies who give their all and support our Directors and Fair. Several of our ladies have been members since our inception in 1992.

Hopefully we will be having another amazing fair and look forward to seeing you all there. Be safe and stay healthy.

2021 Fair Highlights - *Records, records, and more records*

BY BOB DAWSON

Chairman, Finance & Budget

133,384 people attended the 2021 Lake County Fair. This is a new record attendance surpassing the previous mark of 128,400 attained in 2001. Virtually everything we can measure in one form, or another was up from numbers we have seen over the previous ten years and there appeared to be pent-up demand with so many people just wanting to get out and enjoy themselves.

Right out of the starting gate on Tuesday, we had \$97,700 in harness racing purses and there were record numbers of people watching our kick-off parade make its way to the fairgrounds. A substantial number of Veterans and Active Military participated in our Veterans Day Program and we received substantial support at our annual opening night Baked Goods Auction.

Wednesday's (new) Family Day was a huge hit. It was the largest Wednesday, attendance wise, we could find in the books and there was not another Wednesday even close as far back as we could look. Attendees obviously embraced the Family Day pricing promotion and the evening's Monster Truck Show

played a big role as well. It was the first time we offered reserved seating and online sales and the show was a total sell out.

It rained on Thursday morning which affected the turnout for Kids Day activities but there was a strong crowd out in the evening. The Seniors Day turnout on Friday was excellent and between the KOI Dirt Drag Racing and the Horse Pulls, it turned out to be one of our best Fridays ever.

Saturday was another great day. The 4-H Livestock Auction attracted 75 new buyers and raised a record \$289,000 nearly \$100,000 above the previous high. The Truck and Tractor Pulls had its largest participation and spectators in many years.

Sunday was again a huge day for the Fair. The Hispanic Community was out in droves for our Latino Day activities and the closing Lake County Demo Derby ended up being a sell-out with a standing room only crowd.

Large crowds created some long lines at the gates, grandstands and for the rides. We cannot thank the Community enough for their support and patience. We look forward to seeing everyone back in 2022.

Lake County moves up in Communications Awards Judging

As a result of having record attendance in 2021, the Lake County Fair was moved up to the Medium Division in the OFMA 2021 Communications Awards contest. Even competing with some of the "Big Boys," Lake County's advertising and marketing efforts fared very well.

In the Medium Fairs Division, Lake County received five (5) awards including 2nd Place for Newspaper Ad, Outdoor Billboard, Radio Ad and Website. Lake County received 1st place in the Newsletter category

The 2022 Advertising Committee included Chairman Bob Dawson along with directors Jeremy Hejduk and Jerry Merhar. The Newsletter was the responsibility of the Publications Committee made up of Bob Dawson, Michelle Byram, Jerry Merhar and Dick Parker.

The Communication Awards were presented at the Annual Ohio Fair Managers Association Convention held recently in Columbus, Ohio. The Awards Ceremony took place in the Grand Ball Room at the Hyatt Regency. Lake County Fair Queen Anya Demshar was given the honor of picking up the awards in the front of a large crowd.

The Communication Awards contest is sponsored by the Ohio Harness Horsemen's Association and is designed to encourage and recognize advertising excellence supporting fairs and the fairs industry. Lake County has been recognized each year since the inception of this program.

COME TO THE 167TH LAKE COUNTY

FAIR JULY 26 TO JULY 31

2021 HALL of FAME Inductees

Cindy Adams inducted into the Hall of Fame

Cindy Adams is a 35-year volunteer to the Lake County Fair. All those years she has worked in the Fair's Money Room. Cindy began her service counting money in the old and crowded front office. Back in those days, on busy evenings, she would pull out a shelf of someone's desk and start counting and wrapping to get the money to the bank each night.

Not long into her Fair career, Cindy became the Fair's Money Room Manager. She was the perfect pick for the job having worked for many years in banking operations for Bank One and then as a branch manager for PNC bank in Mentor. Her banking expertise and her ability to work with people from all walks of life were of great benefit to the Fair and she brought professionalism to the Money Room and the ever-important business side of the Fair.

Cindy ran and continues to run a tight ship. Under her leadership and because of her hard work, the Fair has never had a finding from a ticket audit or so much as a procedural suggestion on the Money Room by a State Auditor.

Cindy retired from banking in 2015 but keeps very busy. Family is first with Cindy and she spends lots of time with her two daughters and six grandchildren. She loves going to all their sporting events and is an officer in the Riverside Local Schools Kids Committee.

She works for the Cleveland Browns at First Energy Stadium and at the Captains Stadium as a loge cater. She is an active member of St. John Vianney in Mentor where she has volunteered at their annual parish festival; where else... but in the Money Room and in their Monte Carlo Area! In recent years she has volunteered as a judge for the Lake County Fair Queens Contest.

Cindy Adams continues to make important contributions to the success of the Lake County Fair. She has been dedicated to her family, committed to her Fair and tireless in giving to her community. For these reasons and more, she is a deserving addition to the Lake County Fair Hall of Fame.

Cindy Woodman is inducted into the Hall of Fame

Cindy Woodman has provided outstanding service to the Lake County Fair for over 25 years. Since the time of her election as a director in 1995, Cindy has been an enabler and innovator on the Lake County Fair Board and her hard work, out-of-the-box thinking and countless contributions have helped the Lake County Fair to keep going and growing.

Cindy had a very active 4-H career as a youth where she was heavily involved in Saddle Horse. Following that, she dedicated her adult life to raising her daughters Samantha and Stephanie, to successfully operating her concession business (The Pony Express) and to giving service to the Lake County Fair. Cindy served as Fair Board Vice-President, as the Fair's Concession Manager for the past fifteen-years. She has actively participated on the board's Advertising, Audit, Concessions, Finance, Gates, Historical, Horse, Marketing and Rent committees over the years.

Cindy Woodman is a broad thinker and a visionary. Her creativity has led to the fair adding a number of popular exhibits such as the Mini-horses and the Donkey and Mule display. With Cindy's hard work and through her management and guidance as rent committee chair, Lake County's non-fair rentals have grown to a point where their non-fair revenue position is one of the highest in the state. Cindy also drove the band wagon on changes in the concession and ticket areas which have led to continual growth of fair-time revenues and which have resulted in record profits over the past three fairs. While serving as Saddle Horse

Chair, she brought in such popular events as cutting and roping which included a celebrity class of local public and elected officials, a very large and highly competitive open show and a locally designed and operated Wonderful World of Horses event which educated the public on different breeds of horses and their characteristics. Cindy was also instrumental in bringing nondenominational Sunday church services to the show ring through her membership and involvement in the Life-Brand Cowboy Church.

Cindy is a very successful businesswoman, and she continually shares her business acumen with the Fair Board through her input on the annual budget and in consideration of capital improvements. She is someone who also keeps a keen eye on expenses and always kept an eye out for cost containment when she served on the internal audit committee.

Cindy is a regular participant in the Ohio Fair Managers Association District Nine Round Tables, and she is an active member of the Greater Ohio Showmen's Association which keeps her up to date with the concessions and rides business.

Cindy is a true friend of all fairs, and she is someone who talks the talk and walks the walk for Ohio's fair industry and for the Lake County Fair. For all these reasons and more, Cindy Woodman is a deserving member of the Lake County Fair Hall of Fame.

Robert Dawson re-elected as State Treasurer

Bob Dawson from Perry Township was recently re-elected Treasurer of the Ohio Fair Managers Association (OFMA) at their recent annual convention. The OFMA represents all of Ohio's 94 county and independent fairs and the Ohio State Fair. The membership is made up of over 3,000 local fair directors.

Bob Dawson has been formally affiliated with the Lake County Fair for the past forty-five years. He served as Concession Manager for twenty-two years and as President for twelve consecutive years. He currently serves as the Chairman of the Advertising & Sponsorships, Finance & Budget, and the Gates & Tickets committees for the Lake County Fair.

Bob is a past recipient of the Ohio Department of Agriculture's Outstanding Fair Supporter Recognition and holds a Lifetime Achievement Award from the Greater Ohio Showmen's Association. Bob was inducted into the Lakeland Community College Alumni Hall of Fame (2010), the Perry High School Distinguished Alumni Hall of Fame (2012) and the Ohio Fair Managers Association Hall of Fame (2013). He was inducted into the Lake County Fair Hall of Fame on August 18, 2015.

Bob and his wife Dawn live in Perry Township where Bob was recently re-elected to a third four-year term as a Township Trustee. Bob and his wife Dawn have three adult children and five grandchildren.

Fun at the Lake County Fair

A Message from our 2021 Fair Queen . . .

Wow! What an experience. This past year I had the amazing opportunity to serve as the 2021 Lake County Fair Queen. I was crowned in July, at the Lake County Fairgrounds in the new Youth and Community Center. Currently, I am a student at Wilmington College. I am studying Animal Science with a minor in Biology and Chemistry.

I can say I hit the ground running! Just two days after being crowned, I got to visit my first fair, Adams

County! Thus far, during my reign, I have attended thirty-two county or independent fairs, several festivals, and many other events! We have spent countless hours in the car travelling around the state of Ohio, I have enjoyed every mile. I was able to reconnect with friends I had previously met through 4-H, Jr Fair Board and Farm Bureau. I was also able to network and meet so many other young people involved in their local agricultural communities. And of course, royalty from each county I visited. It was so fun to see what everyone's crown and sash looked like! And don't forget the fair pins. Each county's queen court has a pin to pass out to other fair royalty when we meet. Our pin with "Miss Lake Cow-nty" on it was a big hit! I truly enjoyed meeting with everyone and learning about the differences and similarities in each of our fair and Jr fair programs. We all have a passion for agriculture and desire to support the county fair.

One of my favorite things about being queen was meeting all the little kids at the fairs. Kids are not shy and instantly light up when you take pictures with them or just take a few seconds out of your day to talk to them. Nothing captures the attention of a little girl like a crown! One of my most memorable moments as the Lake County Fair Queen, occurred at our own county fair. I was walking back to the camper one evening when I saw a little girl walking with her mother, in the midst of a meltdown. She had tears rolling down her face and was very upset they were leaving without cotton candy. I was able to talk to her and tell her that in fact we didn't have any cotton candy at our fair (at least not that I had found). We talked about the things she had done that day at the fair and some of the other foods she had tried. I gave her one of the pins off my sash and she walked away happy! Another opportunity I had as the 2021 Lake County Fair Queen was visiting the elementary schools. I went to several classrooms before winter break and read winter stories to the kids. I was able to share my experience growing up in 4-H. I was surprised at the number of children that had never been to a county fair. I plan to go back before school ends and invite them

to fair. I hope these kids and their families can learn more about agriculture and where their food comes from!

Although I enjoyed traveling to the many

fairs, I am so lucky to call Lake County my home fair! I had a wonderful time enjoying all aspects of our fair this year. To kick off the week I rode in the parade. This year's Grand Marshall was Mozie van Raaij the 2021 Ohio Fairs' Queen! Each night I got the opportunity to introduce the main entertainment at the grandstands. I was able to judge the "Miss Lake Cow-nty" contest, which is one of my favorite events at the fair and unique to our fair! This year the cow dressed up as the Chick-fil-A cow won! I passed out ribbons at horse shows, livestock shows and even at a llama show. I helped at the annual pie auction which benefits our fair. I assisted in judging the prince and princess contest and attend the 4-H Clover Buddy graduation! A very special moment was

FAIR PREMIUMS

PLEASE REMEMBER THAT IF YOU RECEIVE PREMIUMS AT THE FAIR, THEY CAN BE PICKED UP AT THE FAIR OFFICE AFTER 9 THE LAST DAY OF FAIR. NO PREMIUMS WILL BE MAILED OUT. CHECKS WILL BE VOIDED AND CONSIDERED A DONATION TO THE LAKE COUNTY AGRICULTURAL SOCIETY, INC. AFTER 90 DAYS FROM ISSUE DATE.

2022 Campers

The fee for camping at the Lake County Fair this year will be increased to \$75. A membership to The Lake County Agricultural Society is also required. This is a bargain compared to other fairs that are charging \$100 for primitive camping. We are still looking into the possibility of bringing electric service to the camping area for future years. Let us know your thoughts on this, and what you might be willing to pay for a spot with electrical hook-ups.

2022 Fair Parade

The 2022 Lake County Fair Parade will kick off the opening day of the fair on Tuesday, July 26 starting at 6 p.m. We have invited the 2022 OFMA Queen, Maya Kidd for Butler County Fair, to be our Grand Marshal.

As in years past, we will start the parade lineup at 5 p.m. and the line-up location is going to be at the same place, The First Church of Christ and Zion Lutheran Church located on Mentor Ave. across from Lake Erie College.

To help with the line-up, if your group has multiple vehicles or a group of participants, please arrive at the same time to insure you will be lined up together in the parade. **Please note**, there is no room for parking and leaving your vehicles at the First Church of Christ location.

If you are planning on being a part of the 2022 Fair parade you must fill out an entry form and turn it into the fair office by July 8. The forms are available at the fair office or on-line at www.lakecountyfair.org.

I want to thank all the local law enforcement agencies and public officials for their help and cooperation. We owe a big thanks to The First Church of Christ and the Zion Lutheran Church again for allowing us to use their locations for our parade line up, as well as their hospitality.

We would like to also thank Johnson Funeral Home and Lake Erie College for their support. Thanks to everyone who participates and come out to see the parade. All of you make it a great start to the Lake County Fair.

For any questions you can contact the fair office at 440-354-3339 or Joe Slansky 440-537-3517.

4-H WRISTBAND POLICY

On or before May 1, an updated complete list of 4-H Advisors and 4-H Members must be submitted to the fair office.

One wristband will be issued to each person on this list. Wristbands will be available the weekend prior to the fair at the main office of the fairgrounds located at 1301 Mentor Avenue during their office hours.

Each individual will be required to come to the fair office and sign for his or her wristband. You cannot send anyone to get your wristband for you. The wristband will be put on your wrist at the office. This will be done with all wristbands. No wristbands will be issued without being put on the individual.

If, for any reason, the wristband needs to be removed, for example: sports, school activities, etc, a replacement wristband will be issued only when the removed wristband is brought back and exchanged for a replacement wristband at the fair office. The new wristband will be again placed on the individual's wrist at the office. No replacement wristband will be issued unless the old wristband is brought back in.

No taped or partially covered wristbands will be honored at the gate.

Do not lose your wristband. They will not be replaced in the event of loss or theft.

You can be a Fair Sponsor for only \$125!

Have you been to the fair when it seems like those damn golf carts go anywhere and everywhere? Well they do. Again this year, you can use that to your advantage by showing your support for the Lake County Fair when you sponsor one of those golf carts.

For the price of only \$125 you can have a sign displaying your name, the name of a company or an organization on the front of a fair golf cart. The black on white signs will be 5" high by 42" wide. Each fair director and official is being asked to secure a sponsor for the cart assigned to them.

So, don't delay... sponsor a cart and show your fair spirit.

Signs can be reserved with any director or from the Fair Office.

2022 AGRICULTURE NEWS

It is once again approaching the time of the year that we start planning for the spring gardens and put our snow shovels away for our garden tools. Last year's fair had a great display of fruits and vegetables that competed for the Art Warren Master Gardener Award. There was a tie between Tom Warren and Erin Crow. Congratulations!

This year's categories for that competition are:

1. Green Flat Beans - Book 2 Class 5
2. Early Girl Tomatoes - Book 5 Class 12
3. Slicing Cucumbers - Book 8 Class 3
4. Bell Peppers - Book 12 Class 1
5. Longest Zucchini - Book 14 Class 19
6. Red Beets - Book 17 Class 1
7. Yellow Globe Onions - Book 18 Class 7

So, plant early and good luck.

The Culinary exhibit at last year's fair was unbelievable with a great display of baked goods that our local bakers generously donated to our Baked Goods Auction on Tuesday night. All of your exhibits made for a very successful auction that was very well attended. If you are at the fair on Tuesday evening plan on stopping at the Entertainment Tent for some fun and excitement with Travis and Allen our auctioneers. All the proceeds of this auction go back to the fair board for repair and maintenance of our buildings so show your support. Our Supreme Baker Award went to Pat Wilson last year. Good job!

The local wine makers put on another great display of homemade fine wines for competition. Congratulations to Best of Show winner Wayne Ritchie. Great Job!

RABBIT, CAVY & POULTRY DEPTS.

Hello to all my furry and feathered friends' moms and dads!! I hope this newsletter finds you well as we continue to fight this battle with this relentless COVID-19. Boy we had a wonderful fair in 2021! Beautiful weather and record number of visitors to our great Lake County fair!

Our rabbit display was especially nice and visited by many people young and older! Thanks to everyone that entered last year and hopefully we will see you this coming July!

The cavy critters always draw a crowd! There were always kiddos waiting to

play with them and talk mom and dad into getting them one for their self's!! Can't wait to see what this year brings.

We had another record-breaking year of market chickens, ducks and turkeys. Great job done by all our 4-H kids, parents and advisers for a successful sale.

Once again, our open show was very nice! Thanks to all that take time to raise these beautiful animals for us all to enjoy!

Thanks to everyone that helps out before, during and after fair. I couldn't do it without you!

Looking forward to seeing everyone at the 2022 fair. See you soon!

helping at the 2021 Outstanding Youth Ceremony. As one of the 2020 Outstanding Youth, I was able to pass my sash on to someone in the next deserving group of youth leaders!

In January, I had the opportunity to proudly represent the Lake County Fair at the 97th Ohio Fairs' Managers Association Convention in Columbus. I participated in the Ohio Fairs' Queen Competition along with eighty-three other young women representing their own individual fairs. I am so grateful for this experience; I was able to reconnect with the many friends I have met over the past year, as well as meet so many new ones! Over the few days I was able to attend convention I made so many new memories and learned

about many events in Ohio, many of which I would love to attend this coming year. Top of my list is the Woolly Bear Festival in Vermilion, which is in both Lorain and Erie County.

As I looked around the ballroom during our Fair Queen events, I realized how blessed I am to have so much community support. Lake County may be the smallest county, but I am certain I had the most support at my events! A big thank you to the Lake County Fair Board and Ladies Auxiliary for all the support this year. I look forward to visiting a few more fairs in early 2022, before crowning the next queen!

I was proud to represent Lake County this past year.

As always, we must give a big thank to our County Commissioners, OSU Extension and the surrounding

project's success and the overwhelming support for the project and with knowledge of the Center's purpose, the Land Bank decided to pay off the outstanding debt service on the building. The debt represented the balance of the construction costs of the project after grants and donations.

John Rogers, Land Bank founder and its only director, administrative assistant Linda Fredebaugh, along with Land Bank Board member and Friend of the Fair, Lorraine Fende, presented the Fair Board with a check in the amount of \$125,364 earmarked for retiring the debt

service left from the construction of the Youth and Community Center. As part of the presentation, Director Rogers provided a brief history of the Land Bank and discussed the importance of agriculture in Lake County and the importance of educating our youth on agriculture.

The presentation was concluded to a standing ovation from the Fair Board and the Ladies Auxiliary who were in attendance. Our continued thanks goes out to John, Linda, Lorraine and all the other Land Bank Board Members for their support.

Fair Sponsorship Opportunities Available

Sponsorships are the life blood of small fairs and festivals and the Lake County Fair is no exception. Sponsorships help to defer costs of the fair and support our programs. Ganley Village has been designated the Presenting Sponsor of the Lake County Fair and will head-up this year's sponsorship line-up.

The Lake County Fair has a wide

array of sponsorship opportunities from the simplest Banner Sponsorship to Day at the Fair and Entertainment Sponsorships. All sponsorships include deliverables to the purchaser in exchange for their financial investment. For more information on available sponsorships call the fair office at 354-3339.

2022 FAIR PARKING

The Lake County Agricultural Society will again offer preferred parking at the Fair. This parking area will be located just inside the main gate and run along the fence line on Route 20. A parking pass can be purchased for \$75 at the Fair office. The vehicle will be allowed access to this lot 24-hours a day for all six days of the Fair. This does not include fair entrance fee for those in the vehicle.

These parking spaces will be sold on a first-come basis. The number of available spaces is limited.

If you are interested in purchasing a parking pass, please call the office at 440-354-3339 to have your name put on the waiting list.

The parking spots will be large enough to accommodate a car or pick-up truck. Trailers and oversized stock or box trucks are prohibited.

VEHICLE PASSES

All 4-H families enrolled with livestock or saddle horse and taking a project that will be stabled in the front barns will be issued a vehicle pass. This pass will grant you access to the barn area with your vehicle before 9 a.m. Any drop offs of equipment, feed, bedding, etc. should be done at this time. All passengers, including the driver of the vehicle, must have a wristband or ticket to enter. All vehicles must be moved back to general parking before 9 a.m. These passes can be picked up with wristbands. Many of our shows and activities begin in the morning and by keeping the barn and show areas free of traffic, we will be creating a safer environment for our youth and exhibitors to work and show in.
