FAIR ORGANIZERS TAKE 'THE BAD WITH THE GOOD' AFTER ATTENDANCE TAKES A HIT FROM THE HEAT AND RAIN

BY GABRIEL MCVEY
Gazette Newspapers

PAINESVILLE TOWNSHIP – Attendance at the 168th Lake County Fair fell below expectations, but was still strong, prompting fair board members to take “the bad with the good,” according to Bob Dawson, fair board chair of finance and budget.

Some 99,372 people attended the 2023 Lake County Fair, 20 percent less than 2022.

“Mother Nature had the most influence over this year’s event, leveling stifling daytime heat and multiple rainstorms,” Dawson said.

Attendance for the 2022 Lake County Fair exceeded the fair board’s expectations, according to Dawson. Overall attendance for the six-day event was 121,772, which he described as “fabulous.”

“Several events were forced to cancel throughout the week, mostly due to rain or wet conditions that affected safety,” Dawson said. “Wednesday’s new Dirt Night Motor Mayhem was canceled after monsoon-type storms graced the fairgrounds around the dinner hour. Rides had to be shut down because of lightning activity and the fair closed early. Heavy thunderstorms in Saturday’s early hours forced the cancelation of the morning’s popular draft horse show due to concerns over unstable ring conditions and Saturday night’s KOI side-by-side dirt track racing canceled because the infield pit was underwater.”

It comes as no surprise, then, that attendance was down from last year – however, Dawson said the numbers for the 2023 fair are still encouraging.

“Overall, participation and attendance were strong,” he said. “Sunday saw dry, seasonal weather and a new all-time Sunday attendance record with 39,856 coming through the gates. This broke the previous Sunday record of 37,528 set just last year.”

FAIR

Sunday is a very strong day for attendance at this year's Lake County Fair – being both Latino Day and hosting the demolition derby at the fair's close.

According to Dawson, despite the challenging weather, there were plenty of highlights for the 168th Lake County Fair:

Corporate and private sponsorships supporting this year's fair were the most ever, he said.

Tuesday's harness racing card was the best in over a decade, with 103 horses trotting and pacing over 18 races. \$106,000 was awarded in purses.

The traditional Tuesday evening baked goods auction received record support as well.

Friday evening's truck and tractor pull had its strongest participation and highest attendance in years. The pull featured three semi-truck classes as a memorial to the late great J.R. Collins of Painesville, who was considered the King of Super Semi truck pulling during the 80s and 90s.

Saturday's 4-H livestock auction raised \$414,000, shattering the previous high mark of \$289,00 set last year.

In addition to Sunday's record attendance, the evening's demo derby sold out for the third consecutive year and broke the grandstand record for total revenue.

Probably the biggest area of growth has taken place at the animal shows, according to Dawson.

"The 4-H shows have proven to be a real hit in recent years," Dawson said in a pre-fair interview. "We have an amazing agricultural presence and it's on a growth streak, the same as our fair is. The animal people are telling me they're expecting over 300 sale lots at this fair. This is my 45th fair and I can tell you – I'm almost positive we've never had 300 lots any time in the past. To see it growing at this point, with the way the county is growing otherwise – it goes to show you I think people are becoming more aware of agriculture. Lake County's got an amazing story to tell."

Next year's fair will be held July 23-28, 2024, at the Lake County Fairgrounds.
